And What Have You

By BOB CRAIG

If there ever was any doubt about this bunch of Pipers having the contest that it takes to win — this doubt had to be dispelled Friday night when they came from behind to beat Winters. Because desire and the will to win was the only thing that could have pulled that game out of the fire with the Pipers trailing by 10 points and only seven minutes left.

That game had to go down as one of the strangest games we have ever watched and had more of a pro-type finish than a high school contest. If you were just watching the game with no ties to either team it would have been a great game to watch but it was a little too close for us hometown folks.

Th Pipers will be taking on the Haskell Indians this week with both teams out to keep their records unblemished. This will be one of the top AA games in the state. Since the area ratings and the game picks are not made until after this is written, we do not know who will be favored in this important contest and doubt that it will make much difference in the outcome of this game.

We believe that these boys have what it takes to bring home another victory — they have the ability, the determination and the desire.

We join all of Hamlin in wishing the Pipers the best of luck Friday night.

It has come to our attention that a near disaster occurred here last Friday night as the Winters fans became rather abusive with the officials after the game. Fortunately, we gave the officials the protection required by the Interscholastic League and the officials were cool enough not to get upset by what took place.

If we had not given them the protection required we would have been in trouble and, if the officials had desired to, they could have filed a protest and Winters would have been in trouble.

As in every case of this kind nobody ever suffers but the kids because if the Interscholastic League has to take any action it is against the kids that will be playing the next year, or even the next two years.

The really ridiculous thing is that we have never seen a decision changed on the field, much less after a game is over. If fans cannot learn to control themselves they should stay at home and throw rocks at their television sets or something. At least they would not be endangering a whole community.

We hope that as our games get more and more important that our fans will remember to keep themselves under control. We have some good youngsters coming back next year that would like to have the opportunity to compete in district.

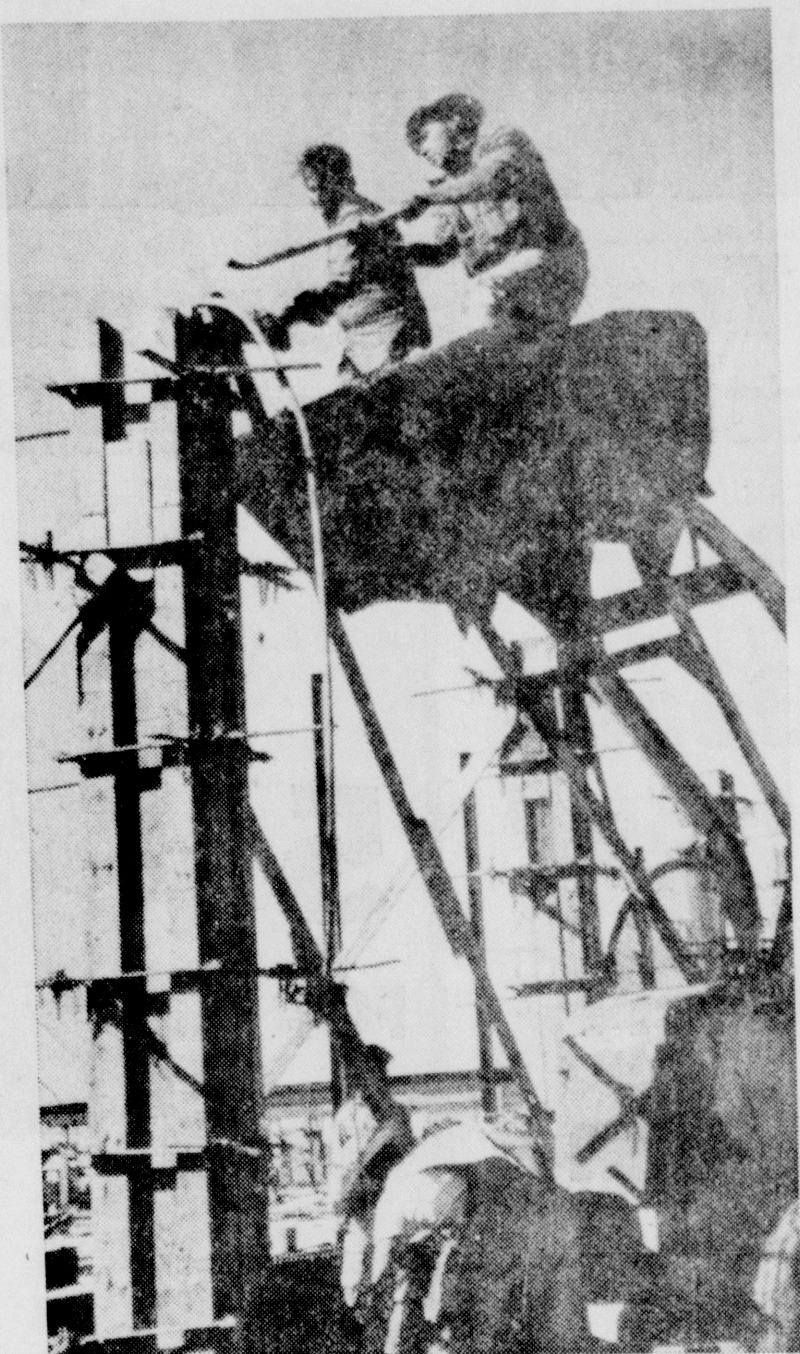

In a telephone call the other day we were urged to ask parents of pre-school children to please keep these children off of the streets before and after school when the traffic in the residential areas is heavy.

These small children are not only hard to see when you are driving, but they also do so many unexpected things such as dart behind parked cars and the like.

At the same time we would urge drivers to be a little more careful during these hours. It would be much better for your child to be tardy than it would be to get in too big of a hurry and hit some small child. Even with the best of efforts a few of these youngsters will find their way out into the streets in spite of everything.

After goofing here on the last time change we are not making any definite statement on it but we believe that we go back to the regular time this coming Sunday morning. It is our understanding that you can move your clock back an hour when you go to bed Saturday night and get back that hour of sleep you lost last April.

Personally, we are ready to change back. We enjoyed Daylight Saving Time this summer but the mornings are beginning to get too dark to suit us.

IN ALL-GIRL RODEO—

Debbie Elmore Wins Honors

Debbie Elmore was named best All Around Cowgirl at the All Girl Rodeo held here Saturday by the Hamlin Riding Club. Diltzie Bland of Trent was runner-up.

Thirty-two were entered in the barrel race with six receiving money for their efforts. The top six were Debbie Elmore, LaVoy Arant of Ropesville, Shirley Dyches of San Angelo, Ti Ada Sharp of Lamesa, Judy Deatherage of Anson and Marilyn Burleson of Sweetwater.

The team milking was first in the wild cow milking was composed of LaVoy Arant, Marie

Voss, June Elmore and Debbie Elmore. Nine teams were entered.

Fifteen entered the flag race. Debbie Elmore was first and June Elmore and Debbie Clinton of San Angelo tied for second.

In pole bending, with 13 entries, the top three winners were June Elmore, Marie Voss of Snyder and Marilyn Burleson of Sweetwater. Fourteen competed in ribbon roping. The top three spots were earned by Diltzie Bland, Terri Lewis of Big Spring and Debby Wills of Gail.

Diltzie and Becky Bland of Trent were first and second, respectively, in the steer riding. Bettye Miles from Abilene Christian College was third. There were 17 entries.

The winning surf board teams were Karlah Toland and Debbie Zachry, first; Diltzie Bland and Brenda Jackson, second.

Winners of the rodeo were announced by Mrs. Billy McIlwain, one of the secretaries, who maintained the rodeo office last week at Hamlin Radio and TV. She and Mrs. Boyd Gibson were secretaries for the shows.

New Service Manager At Prewitt Motors

Joseph A. Rayburn of Corpus Christi is the new service and parts manager of Prewitt Motors, according to Gene Prewitt, owner.

Rayburn is a graduate of Roscoe High School and has served in the U. S. Air Force. He was employed at the Force-Hoe State Bank as bookkeeper before moving to Corpus Christi.

He has attended Gail Business College, and had other business and automotive courses with International Correspondence Schools, Commercial Trades Institute and Del Mar Technical College at Corpus Christi.

During the past five years he worked as service manager and bookkeeper with R. S. Black, heavy concrete construction contractor. He and his wife, the former Flora Mae Lehmann, are parents of two daughters, Jeorginna Ann, 11, and Kathryn Louise, 7.

Eighth Grade Wins

The Eighth grade defeated Colorado City here Tuesday evening 12-6.

The first touchdown was made by Quarterback Ricky Rodgers and the other score was made when Virgil Turner covered a fumble in the end zone.

Pipers-Indians to Meet In Top Contest Friday

The Pied Pipers will be shooting for the big one this week when they take on the Indians in Haskell Friday night. Both teams will be carrying perfect records into the contest with the victor gaining a slight edge in the District 5-AA race.

A packed stadium is expected for this contest that is being billed as the top game of the area. Reserved seat tickets went on sale early this week and were going fast. This will be homecoming for the Indians.

Coach Joe Youngblood reported Monday night to the

Booster Club that all of the Pipers came out of the squeaker with Winters in good shape and should all be ready for Friday night.

The 5-AA race has been narrowed down into a three

team race with Stamford, Haskell and Hamlin; each standing 2-0 as the conference battle reaches the mid-point. While Hamlin was coming up with its win over Winters last Friday, 21-20, Haskell

was defeating Anson, 21-11, and Stamford was taking out Colorado City, 35-0.

This week while Hamlin and Haskell are meeting in the feature event, Stamford will travel to Winters to tangle with the Blizzards and Anson and Colorado City will meet in Anson with each team trying for its first district win.

Scouting reports indicate that the Pipers can expect to see a whole lot of offense this week as the Indians have racked up 251 points this season while giving up only 23. The Indians boast a lot of speed in the backfield and have probably the best passer in the area in 160-pound Sophomore Quarterback Lanny Ivy.

To go with Ivy in the backfield they have a fast, powerful runner in Halfback Tim Everett who at 165 pounds is a real threat as a break-away. Also sharing the running chores will be Fullback Derrel Davis who weighs in at 185 pounds and is a strong runner.

To make their All-District Ray Herren at one end, Roy Luman on the other side and a fleet Wingback in Johnny Josselet.

Other probable starters include Sam Stone, 175, and Stanley Fanner, 175, at tackle; Tommy Perry, 190, and Terry Lowery, 175, at guards; and Bill Rathiff, 205, at center.

The Indians make very few changes when they go on defense and operate from a split-six formation with a big forward wall.

The Freshman game with California which was to have been played here today at 6 p.m. was cancelled. The Freshmen will combine with the B team to play Anson B Team at Anson at 7:30 tonight (Thursday).

Hamlin Junior High travels to Haskell next Tuesday for seventh and eighth grade games.

Velanne Rowland Top Salesman In P-TA Magazine, Herald Drive

The Magazine and Newspaper Drive sponsored by the Elementary Parent-Teachers Association ended Monday with Velanne Rowland being the top junior high salesman. She earned a hair dryer as a prize and is eligible to enter a contest for a trip being given by the Quality School Plan.

Winners in the elementary building in sales of the Hamlin Herald were first, Mrs. Earl Brown's room 5C; second, Miss Maggie Seymour's room 5B; and third, Mrs. F. F. Shout's room 4B. They received \$5, \$3, and \$2, respectively. Students in junior high and elementary grossed \$2,108.52

in magazine and newspaper sales when the sale ended Monday. Some subscriptions have come in late and Mrs. Kenneth Young, chairman, said these would be added to the gross.

The P-TA will net over \$800 from the drive. This will be used for projects throughout the year. The main project is the milk fund. Last year they purchased a first aid couch for the nurse's room, in addition to underwriting the mass Polio Vaccine drive. Previous year's projects have included air conditioners and a sterilizer used by the school nurse.

Woman's Forum to Meet Monday, To Discuss Future of Library

Several important items of business will be presented at the meeting of the Hamlin Woman's Forum Monday afternoon at 1:30 p.m. The meeting was changed from the scheduled date on Tuesday to Monday, Oct. 30, for the convenience of members.

All members of all women's clubs are urged to attend the meeting. The future of the Hamlin Memorial Library will be discussed and decisions on securing a librarian and making repairs to the building will be made.

Three new officers will be elected to fill unexpired terms. Mrs. Jack Vaughan, president, and Mrs. Roy Server, first vice president, have resigned and the office of reporter was formerly held by the late Mrs. Elmer Joiner.

The nominating committee includes Mrs. Bob Craig, Mrs. A. A. Hackley and Mrs. Dick Maberry.

Other officers serving during the current administration are Mrs. Loyd Burkhart, second vice president; Mrs. Arlie Cassie, recording secretary and Miss Lennie Greenway, treasurer. The trustees are Mrs. John C. Bryant, Mrs. Fred Moore Sr. and Mrs. M. T. York.

The Woman's Forum was organized in 1956 and is re-

sponsible for the operation of the Library which was organized at that time. Clubs that are members of the Forum are Beta Theta and Xi Gamma Phi chapters of Beta Sigma Phi, Hamlin Garden Club, Woman's Literary Club, Business and Professional Women's Club, and Jayceeettes.

The president and one representative from each club each have a vote on business matters, but other club members are urged to be present. The voting strength also includes the officers of the Forum, general chairman of standing committees, and those having individual membership.

Hamlin Young People to Trick or Treat for CROP Here Monday

Young people from five local churches will meet at the First Methodist Church Fellowship Hall at 6:15 p.m. Monday to receive assignments for the Crop Halloween youth project. They will return to the church following the drive and refreshments will be served.

Young people of junior high and high school age will take part in the project to "Help Stop Hunger Through CROP." Young people collecting money will be identified by a crop emblem.

CROP is the Community Food Appeal of Church World which collects farm commodities and cash, through volunteer workers, for the overseas relief and rehabilitation programs of the churches.

Gifts to CROP are put to use under church supervision strictly on the basis of need in more than 40 countries. Its purchases of contributed and purchased food and supplies since 1947 have totalled \$17½ million; and its designations to other agencies such as Catholic Relief Services, and Lutheran World Relief have totalled over \$2 1.3 million. It is now in its twentieth year.

Halloween has come to mean CROP and a time of Christian sharing to the young people of Texas. It has come to be a time of collecting for others in a Christian ministry of compassion to a part of the world's starving population.

Contributions received through this youth effort of concern will be used to help provide for the handling and distribution of government-donated foods for the Food for Peace program as well as to provide other assistance — high protein foods, emergency supplies, agricultural tools, seeds — not otherwise available to the overseas program of the churches.

Last year the local young people here helped youth throughout the state of Texas to collect approximately \$64,000 for the program. This helped CROP to provide 6,699, 250 pounds of aid; also to assist with the handling and distribution costs of over 192 million pounds of Food for Peace Supplies.

Native of Germany Presents Literary Club Program Friday

Mrs. T. P. Barnett of Haskell was guest speaker for the Friday afternoon meeting of Woman's Literary Club in the home of Mrs. Donald Young.

Mrs. Barnett, who was introduced by Mrs. A. A. Hackley, gave "Random Impressions from Germany." A native of Berlin, Germany, she left the country at the age of 20 and had not been back to her home to visit until this year.

She immigrated in 1953 and although she had never known her native country under normalcy, she was keenly aware of many changes made during the past 14 years.

When she arrived at Frankfurt airport, she was met by her parents and an uncle. Frankfurt was destroyed in World War II and has been rebuilt into a modern city. She mentioned that the new

city accommodates the bustling society more adequately than the original city would have. She went to Munich where they are preparing for the 1972 Olympics.

Throughout her three week visit in Germany she noticed that the people were very busy, seemingly trying to make up for lost time. She said that they work much and seek pleasure intensely.

In speaking to the members, she told of the spiritual decline of the country. She was very concerned over this because the country had drifted so far from the direction taken under the leadership of Martin Luther, the leader of the Protestant Reformation. She brought out that the country, largely Lutheran in religious belief, seemed to have reached a low degree of religious activity.

Mrs. Barnett and her husband, Police Chief of Haskell, have five children, two girls, ages 13 and 11, three sons, twins, age 3 and the youngest, age 2.

Mrs. Bob Craig, president, presided during the business session preceding the program.

The next meeting will be Nov. 3 in the home of Mrs. Kenneth Young. Mrs. L. E. Dudley, General Federation Board Member, will be the guest speaker.

Xi Gamma Pi Has Program On Handwork

Xi Gamma Pi chapter of Beta Sigma Phi sorority met with Mrs. Ed Boaz of Anson Oct. 12 for a program on handwork.

Mrs. Joe Ford gave the program on embroidery and other handwork.

Mrs. Leroy Smith presided. Twelve members were present.

The next meeting will be in the home of Mrs. Weldon Carlton with Mrs. Holly Toler giving the program.

Board Meeting

The District VIII Fall Board Meeting of Texas Garden Clubs, Inc., will be held in Menard Saturday, Nov. 4, in the high school.

Reservations for the coffee, registration, luncheon and program are \$4 and are to be sent to Mrs. Perry Hartgraves, Box 338, Menard, Tex. 76859.

Mrs. L. B. Williams Hosts Garden Club Meeting In Home

"On the Street Where You Live" was the theme of the October meeting of the Hamlin Garden Club's program on conservation. Members met in the home of Mrs. L. B. Williams and program director was Mrs. B. B. Colwell.

The conservation prayer in unison was led by Mrs. Colwell.

Mrs. B. H. Gardner spoke on adding plants for autumn colors to your landscape.

Mrs. Harold Bonner spoke on evaluation of horticulture. Mrs. Horace Driver, chairman of the Anti-Litter contest reported the results of the contest and announced November as Litter-Bug Clean-Up month.

A pyrrhous, led by Mrs. LaFoy Patterson, was taken to the home of Mrs. Vera Nobles and the greenhouse of Dr. E. D. Perrin. Dr. Perrin took the members through the greenhouse and explained the growing of orchids, described the various species.

Miss Coleman, Douglas Johnson Wed In Fresno

Mrs. Roosevelt Bolden announces the marriage of her daughter, LaWanda Coleman to Douglas Johnson in Fresno, Calif., Oct. 22.

The double ring ceremony was performed in the home of bride's grandmother, Mrs. Julia Johnson, 2171 Geneva Avenue, Fresno.

The bride is a graduate of Hamlin High School and attends Fresno Junior College. She is secretary at the Jesse E. Coaley Funeral home and is pianist for the New Hope Baptist choir.

The couple is living in Fresno where the bridegroom is a mechanic and operates a service station.

Teresa Lue Allen, Jackie Tankersley Plan Wedding

Mr. and Mrs. W. R. Allen are announcing the engagement and approaching marriage of their daughter, Teresa Lue, to Sgt. Jackie Tankersley, son of Mrs. Roy Acker of Rotan.

The couple is planning a December 28 wedding in North Central Baptist Church here.

The couple will reside in Columbia, South Carolina, where he is stationed with the U. S. Army at Ft. Jackson.

She attends Hamlin High School and he is a graduate of Rotan High School.

Isometrics Talked Tuesday At TOPS Club Meeting

Isometric exercise was discussed by Mrs. Melvin Scott at the Determined Pipers TOPS Club Tuesday night at the high school cafeteria. Mrs. Scott was also named Queen for the week.

During the business session, with Mrs. E. J. Rowland, co-leader, presiding, the group discussed the banner that will be sent to the State Convention.

Other members present were Mrs. Roy Embrey, Calvin Embrey, I. D. Acklin, Ray Maberry, Charles Ferguson, Vernon Johnson and Joe Dawkins.

The next meeting will be held Nov. 2 at 7 p.m. at the high school.

Wi-Ca-Ka Camp Fire Girls Hold Hula Hoop Meet

The Wi-Ca-Ka Camp Fire Girls finished working on their manuals and had a Hula Hoop twirling contest at the Thursday afternoon meeting in the home of Mrs. Fred B. Moore Jr.

Mrs. Moore and Mrs. Louis Madden served refreshments to the following: Debbie Jay, Diane Bradley, Iva Starr, Connie Deaton, Jodel Wilder, Judy Wilcox, Debra Hollis, Sherrie Carter, Becka Harmon, Karen Lee, Patrice Moore, Linda Walden, Lisa Willingham, Elaine Carlton, Melissa Madden, a new member, Debbie Lee, and Mrs. Miller Harmon. Susie Harmon was a guest.

The next meeting will be Oct. 30 at the Hut.

McCauley High School students met in the history room last Thursday to select students for the honors given annually.

The following were selected: Ricky Jeffrey and Bobbie Kirby, Most Likely to Succeed; Larry Austin and Sarah Williams, Harvest King and Queen; Billy Cooper and Charlotte Griffin, Mr. and Miss M. H. S.; Bobby Smith and Lana Acklin, Best All Around; Randy Kelly and Debbie McCright, Most Popular.

The Pep Squad girls sponsored a Powderpuff football game Thursday night and had a great time. Not only did the girls add to the excitement, the most charming cheerleaders were very entertaining. They were Robert (Peanuts) Phelps, Mike (Maggie) McCormack, both sophomores, and Billy Cooper, senior.

McCauley Eagles won their first district game over Highland 32-12. Scores were made by Bobby Smith and Larry Austin.

All students are busy this week getting ready for the Halloween Carnival to be held Saturday night, Oct. 28, in the gym.

Birth

Mr. and Mrs. Baker Steven Lucas III announce the birth of a daughter, Stephanie Anne Calvert, born Oct. 15, at City Memorial Hospital in Nacogdoches.

The mother is the former Blenkinship. Both parents are attending Stephen F. Austin State College, where he is a pre-law student.

Maternal grandparents are Mr. and Mrs. T. C. Blankinship. Paternal grandparents are Mr. and Mrs. Baker Lucas, Jr. of Tyler.

New uses for electricity plus an ever expanding population call for a constantly increasing supply of electricity. In 1948 the monthly consumption of electricity averaged 121 kilowatt hours per family per month. Today, it comes to almost four times that much. Eight years from now it may be doubled. Since it was first organized the member-owned MIDWEST ELECTRIC CO-OPERATIVE has anticipated your needs and has made provision for this added service. Right now they are planning years ahead to provide all the power needed for additional appliances and work saving devices. So live it up electrically. The MIDWEST ELECTRIC CO-OPERATIVE won't let you run short of power.

Sigh of Relief and Pride Mark
Piper's Win Over Winters Friday

by Janet Carson
Beth Craig
Tommy Oliver

Sigh . . . A sigh of relief and pride was on everyone's lips Friday evening. During the first part of the ballgame the Pipers fell behind the Winters Blizzards, but surged ahead during the last few minutes of the game. Everyone knows that it takes desire and perseverance to struggle from the bottom to the top! All the students and faculty of Hamlin High are proud of their team, and they are looking forward to a victory over the Haskell Indians this week.

PEP RALLY

Friday's pep rally helped to lift the Piper's spirits. Mr. Gus Young, Mary Shelton, Bob Clifton, and Margaret Cooper spoke at the rally. Margaret's spirit booster was closed with a plea to LICK the Blizzards as she passed out suckers to the team!

BAND

The band has been preparing for contest, which will be held the fourth of November. Each band member will be striving to do his best this year. Get a sweepstakes, Band!

The band has elected four nominees for their 67-68 Band Sweetheart. The nominees are Sally Carlton, Janet Carson, Margaret Cooper, and Jayne Turner. The presentation of each girl and the crowning of the Band Sweetheart will highlight the band's season. The choices will be presented November 10 during the Stamford ballgame, the last district game.

B TEAM GAME

The B Team played Abilene

B Team Thursday evening. The B boys scored 48 points over Abilene's 0. Spencer Ford highlighted the game with 26 points. The spectators certainly enjoyed the game!

DEVOTIONAL

At Wednesday's devotional Jo Lynn Johnson gave the meditation, and Reba Jackson and Joey Duncan sang a duet. Others participating were Gil Lain, Janice Hardaway, Janet Carson, and Sharon Hawkins.

ACT TESTS

A number of senior students traveled to Abilene and Rotan Saturday morning to take their ACT test. The five parts of the test were Student's Profile, English, Mathematics, Social Studies, and Natural Sciences. All the students are hoping for good scores!

COLLEGE NIGHT

About fifteen of Hamlin's seniors attended College Night at Abilene High Tuesday evening. Lectures and explanations were given in separate groups for various colleges. Several came back with their decisions made; more came back more "mixed-up" than ever!

IN A HURRY!

It's Sunday! An exciting day! I've planned so many interesting ways to present God's love to the wee small people I'm teaching. How they love God and His church! They are always there early. Must hurry! My young ones want to be there early too. How pleased our Father in Heaven must be to see so many preparing excitedly and happily to have a worship experience with Him.

See you there in a very little while!

Psalm 26:8 "Lord, I have loved the habitation of thy house, and the place where thine honor dwelleth."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Pipers Down Winters In Final Seconds, 21-20

In a story book finish, the Pipers put 11 points on the scoreboard here Friday night in the final seven minutes to sneak by the Winters Blizzards, 21-20, and to remain undefeated. It took a 95 yard kickoff return by Tailback Phillip Simpson, who also added the two points after and a 32 yard field goal by Guard Jimmy Hastings in the final 30 seconds to snatch victory from defeat.

The Pipers dominated the game in the statistical department but gave up two first half touchdowns on pass interceptions to find themselves trailing at half time, 14-7. The Blizzards put the 14 points on the scoreboard without making a first down in the half and had only four yards total offense.

The Pipers drove down the field to score the first time they had the ball and took a seven point lead but then found the going rough as they had to settle for two field goals as they had problems penetrating the Blizzard defense inside the 20.

Raul Solis, Hastings, and Ernest Ledbetter each came up with big defensive plays during the night to keep the fired up Blizzard attack bottled up most of the game.

Simpson returned the opening kickoff back to the Hamlin 28 to get the game underway. Quarterback Bob Clifton passed to end John Holland for 13 and Simpson carried for gains of one, eight and six. Following a Hamlin five yard penalty, Clifton missed on one pass and then connected with Simpson for a fourteen yard gain. Winters drew a five yard penalty and Halfback Sammy Ferguson gained one to the

Winters 25. Simpson hit over his right tackle and raced into the endzone to put the Pipers out in front. Hastings added the point after.

Neither team had much luck moving the ball the balance of the first period. Early in the second quarter Quarterback Paul Long tried a screen pass to Simpson that was picked off by Defensive Halfback Mike Kozelsky, who raced untouched the 34 yards to score. The try for the point after was blocked and the Pipers owned a narrow 7-6 lead.

Mid-way in the second period the Pipers recovered a Blizzard fumble on the Winters 13. They drove to the six before drawing a five yard penalty. After gaining one yard to the ten, Long tried to connect with Ferguson out in the flat only to see Halfback Jerry Tischler pick it off and race 90 yards to score. Randy Boles added the two points and the Blizzards were out in front 14-7.

Early in the third quarter the Pipers drove down to the Winters 21 before giving up the ball on downs. On their next possession following a Winters punt they drove back down to the Blizzard 20 on runs by Simpson of five, five 12, and 14. Ferguson added

three to the 17 and then was stopped for no gain. Simpson was held to one yard gain and Hastings split the uprights for his second field goal of the season.

Early in the fourth quarter the Blizzards recovered a fumble on the Hamlin 43 and drove in to score in nine plays with Wingback James Greer going in from the 10. The two point try failed and the Blizzards led 20-10.

Simpson took the kickoff on his own five, raced diagonally across the field and with good blocking out-raced two defenders into the endzone. He carried over his left guard for the two points and the lead had been cut to 20-18.

Winters moved from the 15 to their 29 following the kickoff before punting with Hamlin taking over on their 33. The Pipers drew a five yard penalty and failed to make their first down with Charlie Shira getting off a 47 yard punt to the Winters 13.

On first down Ledbetter recovered a fumble to give the ball back to the Pipers on the 13. Simpson carried for three, then was set back for losses of three and one. On fourth down the Pipers called on Hastings again. With 30 seconds left on the clock Hastings kicked his second 32 yard field goal of the night and the Pipers were out in front 21-20.

Following the kickoff the Blizzards tried for a long pass with Holland intercepting at the Hamlin 42 and Clifton ran out the clock in two plays.

HHS Student Council to Attend District Convention Saturday

The Hamlin High School Student Council will attend the Oil Belt District convention of Student Councils in Winters Saturday. All 13 members and the advisor, Milburn Wink, are planning to attend the meeting.

The Hamlin Council is completing its term as President School at the convention. Milton Davis, HHS Student Council president, will preside at the general sessions. The Hamlin Council was in

charge of obtaining the key note speaker and was successful in getting Larry King of Anson, a Texas FFA vice president, to give the address. He is a freshman at Abilene Christian College.

The Hamlin Council is running for the office of district secretary at the Winters meet. If elected to this office, Hamlin would serve as the host for the district convention next fall. Abilene High School Student Council will nominate Hamlin for the secretary school, Sammy Ferguson, vice president of the Hamlin Council, will make the speech accepting the nomination.

Gil Lain will head a discussion group on "The Values of Workshop." He will be assisted by Mike Young, Beth Craig, and Peggy Jones. The

discussion will be based on what these four members learned while attending the TASC Workshop in Houston July 31-Aug. 4. Mike will summarize the discussion at a general session.

Others planning to attend are Kathy Moore, Reba Jackson, Pat Perrin, Bill Hodnett, Gary Smith, Debra Brown and Greg Perrin.

Sylvester News...

by Mrs. R. M. Babb
My it would be cool for just a wee bit this morning, a cold front is predicted, we will just wait and see. The gin has been humming this morning and I believe they ginned a couple of bales of cotton this past week. Seems it is going to turn out better than every one thought.

Mrs. Carra Perkins drove to the Forest Perkins home early Sunday morning near Roby and they all drove to Lubbock and spent the day in the Raymond Perkins home.

Guests in the Hugh Hood home on Sunday were: Bill Owens family of Longworth, Gerald Don Owens and family from Austin.

Mr. and Mrs. H. A. Rowe of Hot Springs, Ark., surprised the Jim Lanning's with a visit promised many years ago.

Mrs. W. A. Stevenson flew to Washington this past week to help out while her daughter had surgery. Reports are she is doing fairly well. She is a sister of Mrs. Alfred Douglas.

Mrs. A. J. Griffin has returned from a check up in Temple and the doctors say she is fine. Mrs. Neda Kiser is still under going tests.

Mr. and Mrs. W. B. Brown has a new Plymouth Fury III and are enjoying a trip to Ark., Mo. and possibly on to Florida.

The Annual Associational Meeting was held at the Sylvester Baptist Church on Tuesday night.

Mrs. Peggy Green of Washington state is visiting her parents, the Cecil Kisers.

Mr. and Mrs. Treadaway of Roscoe came for a visit with the W. B. Browns but found they were on vacation.

Spending the weekend in the Roy Kiser home were Joe and Inez Spikes of Abilene.

Mr. and Mrs. Kenneth Mauldin of Ft. Worth had visiting them over the weekend the Truman Mauldin family of Sylvester.

Mrs. M. D. Douglas drove to Temple with Raymond Griffin to bring the A. J. Griffins home.

Mr. and Mrs. A. F. Dozier, Mrs. May Hurst and Mrs. Ezell Whitten enjoyed Sunday dinner in Roby after church.

Mr. and Mrs. Melvin Thompson, Mrs. D. L. Kidd and the Babb's enjoyed an evening in Abilene Saturday.

Don't forget that all it takes to be able to vote is to register and there are some things coming up that all should be able to vote on, so go to the tax office and register.

Mr. and Mrs. Jimmy Kelley visited with his parents, the Chub Hardwick family. John is working for 7-11 grocery

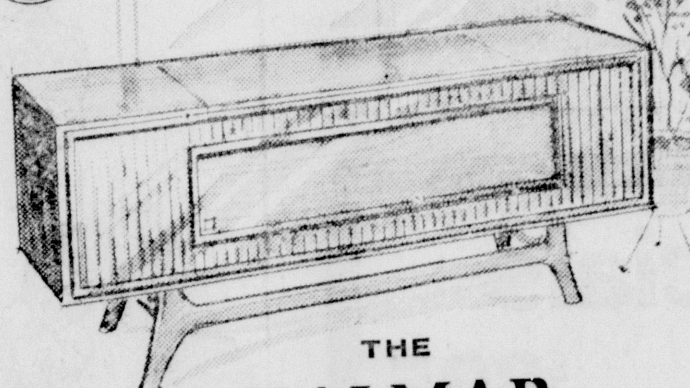

store in Abilene.

Spurlon Harris was home from Cisco Jr. College this weekend.

Neinda Philosopher Isn't Very Worried About Contaminating Planets With Earth's Germs

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One declines to worry about a new problem, his letter this week reveals.

Dear editor:

Some people never can to get enough things to worry about.

For instance, I read in a newspaper I found wrapped around a fresh batch of tin cans somebody threw in the ditch alongside the road by my house yesterday that space scientists are now worried about contaminating other planets. They said "an earthy space probe sent to a planet such as Mars could contain within it enough biological organism to contaminate an entire world," and consequently they are studying ways to sterilize all their spacecraft.

I have thought this over and while it beats worrying over Viet Nam and next

months' bills, I can't get steam-ed up over it, although I can see how it could lead to some weighty problems.

For example, say we're going to colonize the moon. Who would decide which insects and which germs we ought to haul up there? If we decided none should be brought in, how long would you have to boil an astronaut before you could call him germ-free?

By the time Congress got through debating what would be a fair proportion of white to red corpuscles we ought to put on the moon, not to mention good insects like ladybugs, Russia would already have the moon settled and owe as much money as the rest of us.

Come to think of it, and while this might not be very scientific, I can get a certain amount of fun out of the idea of shipping say a batch of mosquitoes to the moon and imagining them flying around

in circles on that barren wasteland trying to find somebody to bite. Or gnats, or flies, or chiggers, or a bad cold virus. You can figure out your own list during the half at Sunday's football game.

On the other hand, I understand the Russian probe of Venus has discovered that the temperature there is over 500 degrees, hot enough to melt metal. That's the place to colonize. Wouldn't have to sterilize anything, although you might have trouble eating, what with your fork melting in your hand every time you lifted a bite.

Yours faithfully,
J. A.

Mrs. Frank Lopez Of Abilene Dies Here Wednesday

Funeral for Mrs. Frank (Pilar) Lopez, 47, of 5402 Durango Dr., Abilene, was held at 4 p.m. Wednesday in the Sacred Heart Catholic Church near Rotan, with the Rev. Lepinski of St. Joseph Catholic Church of Rotan officiating.

Burial was in Ranchito Cemetery in Fisher County. Rosary was said at 7:30 p.m. Tuesday in Foster Funeral Home Chapel.

Mrs. Lopez died at 5:45 a.m. Monday in Hamlin Memorial Hospital after an illness of 4 days.

Born Oct. 12, 1920, in Fisher County, she was the daughter of the late Mr. and Mrs. Cornelius Lopez. She married Frank Lopez in Abilene Feb. 4, 1950. They moved to Abilene from Hamlin in 1957. She was a member of St. Vincent Pallotti Catholic Church in Abilene. Her husband is employed by J. C. Penny Co.

Survivors include her husband, two sons, Lloyd and Elecio, both of the home; one daughter, Mary Ann of the home; one brother, Mike of Hamlin; two sisters, Mrs. Tony Martinez of Fisher County and Mrs. Lupe Esparza of Abilene.

RANDY GEORGE ... wins Showmanship

Randy George Wins Award At State Fair of Texas

Randy George, a Hamlin FFA member, was named the top showman in the Junior Barrow Show at the State Fair of Texas last week in Dallas. Randy exhibited four barrows of his own and two barrows for Gil Lain at the fair.

He received the Showmanship Award at the close of the barrow show. He received a trophy and a \$25.00 savings bond for winning the award.

There were 1,034 barrows entered in the junior show. Results of Hamlin FFA boys at the fair were: Randy George, 4th, light weight Duroc barrow; Gil Lain, 1st, middle weight Duroc barrow; Randy George, 9th, light weight Hampshire barrow; Randy George, 6th, middle weight Hampshire barrow; and Gil Lain, 2nd, heavy weight Cross-bred barrow.

Texas produced 9% of world oil in 1966; 12% in 1960; 22% in 1950.

Texas operators spent \$622 million drilling in 1966; \$195 million lost in dry holes.

AUSTIN — A proposed cut-back in federal highway spending would seriously damage Texas economy, hamper safety efforts and break continuity in the state's road building program, Gov. John Connally has told U. S. officials. This proposal was President Johnson's first response to demands for economy.

In responding to an invitation from U. S. Secretary of Transportation Alan S. Boyd to comment on the suggested slash, Connally said a 50 percent reduction in the federal aid highway program would mean no jobs for 30,000 Texans.

Connally noted that the program has given states incentive for long-range planning vital to efficiency of public works. As a result, he said, Texas Highway Department has maintained continuity and balance in its program "rather than the feast and famine type approach so commonly practiced" in other fields.

Texas is launching plans to improve highway safety, which would be curtailed by a fund reduction with a resulting increase in the traffic toll on outmoded highways, Governor pointed out.

"It is somewhat difficult for us to understand how a reduction in expenditures for highways financed from the trust fund for which taxes on the motorists have already been levied would be of any advantage to the balancing of the federal budget," Connally wrote. "It is assumed that there would be no corresponding reduction in highway user taxes to balance the reduction in federal aid highway expenditures. If such tax reduction is contemplated, it would be

be possible for the states to add such levies to their tax programs to keep the state economy in balance."

COLLEGE ENROLLMENTS, COST UP — Enrollments at universities, colleges and junior colleges in Texas are at a record 344,471 students, 9.7 per cent over last fall.

Costs, too, inevitably are rising. Coordinating Board, College and University System noted. Agency estimated that the state bill for higher education will go up \$31,400,000 or 19.5 per cent, the next biennium if the Legislature approves its fund allocation formulas.

Longtime Resident, Mrs. W. Roe Brown Dies Here Friday

Pallbearers were Joe E. Ford, Donald Young, Norman Carlton, Melvin Scott, Asburn Branscum and Elbert Payne.

County Agent Urges Plowing Cotton Stalks

During the past few days many cotton fields in Jones County have been defoliated according to County Agent, Kirby Clayton. He said that, after the cotton crop is harvested, stalks should be destroyed and plowed under. This will prevent regrowth of cotton plants and destroy squares and bolls left in the field that could support the various stages of the boll weevil.

Boll weevils remain heavy in many fields in Jones County that have not been defoliated. In fields that are to be defoliated, producers might add 0.5 lb. of methyl parathion or 0.25 lb. of Guthion per acre to arsenic or phosphate-type defoliants, Clayton added. Clayton stated that this practice has been proven effective in reducing potential overwintering boll weevil populations. He cautioned that care should be taken not to mix methyl parathion or Guthion with chlorate defoliants and/or desiccants.

She was a member of the First Baptist Church. Burial was in Hamlin East Cemetery.

Survivors include three sons, Grady of Hamlin, Horace V. of Hobbs, N. Mex., Bunyan of White Face; five daughters, Mrs. C. B. (Lillian) Hubbard, Mrs. C. O. (Nora Lue) Spencer, both of Odessa, Mrs. W. H. (Audrey) Ware of Sweetwater, Mrs. Fred (Ray) Kidwell of Hamlin, Mrs. Lorene Stevens of San Angelo; 18 grandchildren, 47 great-grandchildren and one great-grandchild.
